Needed for Next Year's Vintage Boutique and Plant Sale: It's not too early to start thinking about gathering plants and boutique items for next year's sale. The committee would like to have a greater variety of plants than we had last year. If you are dividing perennials this fall, please consider potting some for the plant sale. The following perennials were in particularly high demand: Ornamental grasses, Toad Lily, Baptisia, Brunnera, Betony, Echinacea, Nepeta, and Lady's Mantle. Bird houses and unique vintage garden items also sold well.
