

## *Gates Mills Garden Club*

P.O. Box 216  
Gates Mills, Ohio 44040

March 15, 2019

Dear Business Owner,

This summer the Gates Mills Garden Club is holding its biennial fundraiser, *Through the Garden Gate*, on June 21 and 22<sup>nd</sup>. Regionally, the tour is a very popular event as it is an opportunity to see lovely private gardens that otherwise are never open to the public.

The Garden Club would like to invite you to participate as a sponsor. We are offering several levels of sponsorship as listed on the following page. Your logo would appear in the tour brochure and map handed out to all attendees. You also will receive tickets to the event and an invitation for you and a guest to attend our Patron Party on Thursday, June 20<sup>th</sup> held at our historical Gates Mills Garden Club property.

Regardless of the weather, hundreds of people attend. Luncheon and Grand Tour options for the outing make the gardens appealing and accessible. The Garden Tour receives rave reviews in print media including *The Plain Dealer*, *The Chagrin Valley Times* and Sun Newspapers as well as on popular radio stations. The Garden Club is very proud of the professionalism it brings to this enterprise and I am confident it will reflect well on your business.

The Gates Mills Garden Club is a 501c3 charitable organization and all proceeds of the Garden Tour go towards scholarships, education, beautification projects and more.

We hope you will consider our invitation. If you have any questions whatsoever, I would be more than delighted to answer them. I can be reached at [gmgcGardenTour@gmail.com](mailto:gmgcGardenTour@gmail.com).

Most sincerely yours,  
Mary Schmidt
